Frequently asked questions

Why can’t I log into a database (for example Science Direct)?
If you’re logging into any external database you will need to choose one of the following:
• Institutional login
• Academic login
• Shibboleth

Unfortunately each database uses slightly different terminology but you always need to login with your University User ID and password.

Read our blog post with tips about logging into e-resources off campus:

How can I access an article if it is not available in full text online?
We may be able to obtain the article for you through the free Document Delivery Service.

Why can’t I access the full text of an article?
You are either not logged in, or we do not subscribe to the resource that you need. Unfortunately we can’t subscribe to everything.
